Hi Yu-Ting, Earlier today FEAD had a call with Melissa Vargas, the new Director of Public Engagement, and she requested a 101 on Chlorpyrifos in preparation for a meeting Earth Justice has requested with the Administrator.

In her email below she is asking for a prep meeting tomorrow with OPP on Chlorpyrifos and I would like to know who from your Division is available for the call.

Thanks, Jackie

Hi Jackie and all,

Thanks again for making the time to chat with me today regarding the WPS.

Just found out the Administrator's Scheduling Team has Nov. 14 or Nov. 21 available for us to meet with Earthjustice and their partners. Are you available to jump on a quick call tomorrow to ensure we are on the same page before confirming details with Earthjustice? I've attached a few documents for reference.

Thank you,

Melissa Vargas
